SCHOLARSHIPS

Garland Light and Power has the privilege of offering scholarships each year to graduating high school students and college students whose parent(s) or legal guardian(s) are members of our co-op. Last year Garland was able to award 8 different scholarships to assist our students in achieving their goals.

Where do these funds come from? Upon Board approval Capital Credits are retired to members of the co-op. When those checks are returned to Garland as undeliverable; every effort is made through phone calls, newspaper ads, and posting to our website to find those individuals. If after two years, those individuals have not been successfully located, the money goes into our scholarship fund.

Our current scholarship applications are available for pick up in our office, the guidance office at PHS and CHS, or you can send an email request to glp@garlandpower.org. All scholarship applications are due by March 1, 2025.

SRIRACHA HONEY CHEX MIX

- 8 cups Chex (any mix of rice, corn, and/or wheat) cereal
- 1 1/2 to 2 cups pretzels
- 1 to 1 1/2 cups cheese crackers
- 1 cup roasted cashews
- 6 tablespoons salted butter, cubed
- 1/4 cup honey
- 3 tablespoons sriracha hot sauce
- 2 tablespoons soy sauce

1. Add the Chex, pretzels, cheese crackers, and cashews to a large mixing bowl and toss gently to combine.
2. Add the butter to a microwave-safe bowl and microwave for 30 seconds, just so it starts to melt. Add the honey, sriracha, and soy sauce and stir. Microwave in 10-second intervals, stirring each time, just until melted and combined.
3. Stir the sauce and drizzle half of it over the Chex mixture. Use a rubber spatula or large wooden spoon to toss, coating with the sauce. Drizzle the rest of the sauce over the mixture and toss, until everything is evenly coated.
4. Dump the mixture out into a large roasting pan or divide it between two rimmed half-sheet pans. Spread out as best you can.
5. Bake at 250 for 20 minutes, then stir and spread the mixture back out. Repeat two more times for a total of 45 minutes of baking time—if using two pans, swap them from top to bottom after each stir. The mix should be fragrant and lightly toasty. It will continue to crisp up as it cools.
6. Let cool before serving or storing. The Chex mix will keep in an airtight container at room temperature for up to a week.
